## ABOUT ME

I am a very committed person who can work under minimal or no supervision at all. I am a team player and always dedicated to what I do since I'm passionate in producing the best. I'm God fearing ,competitive , honest, humble, respectful and loyal. Hiring me will help improve your organization and add more skills that will assist the team in growth and new ideas.

## WORK EXPERIENCE

Web Development and Graphic Designer 2023 - 2024

**With a background in the Digital Literacy Program at Nairobi's Trust, I was able to acquire skills in computing introduction, fundamentals of digital marketing, online work, and also acumen. With these skills, I can be able to do office software, digital communication, client management, graphic design, web development and other life skills.**

2022 - 2023

### Builder Painter

With the knowledge acquired from builder, I was able to learn flat paints, textured finishes, varnishes, wall master for exterior finishing, taking quotations, lifeskills and communication skills.

I was able to learn how to believe in myself as a woman working in construction and also the power of team work and building positive relations with others.

Hotel Manager

2017

### Eden Rock Hotel - Malindi

With a background also in Food and Beverage, and experience in coordinating activities at Eden Rock Hotel, I am well-equipped to manage, coordinate communication platforms, and implement sustainable initiatives. My strong interpersonal skills, community-building experience, and passion for relationship-building align with the requirements of the role.
